A Room with a View

Manly Yacht Club is the perfect waterfront venue for your wedding, party or conference. Situated on the eastern shore of Manly Cove, Manly Yacht Club offers an uninterrupted waterfront vista of Sydney Harbour from our huge sheltered balcony.

Ideal for any party or function, the hall can seat 85 guests, or 60 on our covered balcony. We have tables and chairs for 100 people available at no additional charge. Our venue is ideal for up to 150 people for a cocktail style function.

We give you the flexibility to arrange your own caterer, beverages, entertainment and decoration. Alternatively you can use our recommended providers who regularly service functions at our club.

Manly Yacht Club can facilitate a wide range of functions from casual BBQ or luncheon, through to a cocktail party, formal dinner or wedding banquet. A unique corporate venue also suitable for meetings, informal conferences, launches, promotions or business entertaining. You can hire the club for day and evening functions any time of year for an affordable price.
