Northern Beaches most famous fun run is celebrating a milestone when it opens entries for its 22st annual Pub to Pub fun run and walk. So it's time to throw on your runners & start training for this fantastic family event. The race is a joint fundraising project of Brookvale Rotary and Newport Arms and starts at 8am sharp on Sunday August 24th and is proudly supported by major sponsor URM – United Resource Management & Manly Daily.

The challenging race attracts 5000 entrants annually and starts with a 800m sand start from the Dee Why Surf Club and winds its way via the back streets along the beaches providing the participants with some spectacular scenery along the way. The traditional end 13km later at local pub icon, The Newport Arms Hotel, is always a winner when entrants are joined by family and friends join the party atmosphere for a cleansing ale and bite to eat to celebrate another year's Pub-to-Pub completion.

This year's run aims to be bigger, better and more fun than ever before and hopes to raise over \$385,000 for charity.
