

## Wyvern Music Forestville

### *Echoes Across the Atlantic*

#### *With the Sydney Symphony Orchestra Fellowship 2024*

**Wyvern Music Forestville** is delighted to present an extraordinary afternoon of music, featuring a fascinating blend of music from four distinct composers. This unique program promises to transport the audience across continents and genres, showcasing the exceptional talents of the 13 musicians of the **Sydney Symphony Orchestra Fellowship 2024** as they explore diverse musical styles.

Prokofiev's Quintet for oboe, clarinet, violin, viola, and double bass, intertwines intricate melodies with moments of haunting beauty, conjuring the enchantment and drama of the circus world. Across the Atlantic, two American composers, Alec Wilder and George Antheil, defy convention with their innovative works. Wilder's whimsical Suite for Horn and Improvisatory Percussion dances playfully while Antheil's Symphony for Five Instruments resonates with jazz-inspired harmonies. Finally, experience the emotional depth and intricate textures of Shostakovich's captivating piano quintet, featuring award-winning Australian concert pianist, Vatche Jambazian, alongside the talented string quartet of Fellows.

For over 21 years the Sydney Symphony Orchestra has been dedicated to developing the next generation of professional orchestral musicians. Don't miss the chance to be part of these young musicians' journey in their musical careers.
